We are a Relational School that Educates in the Josephite Tradition for Now and the Future.

Our Vision – what we want to be

In building a foundation of quality Catholic Education, we have God and students as its centre working in partnership with staff and parents. Each child is respected as an individual as we support them to lead fulfilling and productive lives guided by the Gospel value “In All Things Love”.

Our Mission – why we exist

To build on Saint Mary of the Cross MacKillop’s legacy and provide opportunities for everyone to be creative and develop to their full potential while contributing to God’s loving plan in this everyday world.

Vision Statement

Parents are seen as the first educators. There is a mutual respect between home and school. The school community actively supports the school and its projects. There is an awareness and a need for pastoral care. We acknowledge our role in the wider community. Individuals and the environment are respected. We strive to nurture Gospel values. Prayer, Liturgies and the Eucharist are seen as essential. Commitment and accountability is an expectation of staff and students. The students recognise the life long value of learning. To provide a safe and secure learning environment. We encourage a sense of love with emphasis on Respect, Safety, Learning and Trust. We value the dignity, culture and individuality of our whole community as we prepare children for ongoing success. To ensure the provision of an education for the whole person in a quality learning environment.
