

Dear Parent

## RE: APPLICATION FOR ENROLMENT

Thank you for the interest you have shown in our school.

Please find attached an Application for Enrolment form along with a Parent Handbook. Please read and complete the Application Form and return it to me along with all the necessary forms required.

Please note the following:

- The Application for Enrolment form is an application only and a place is not guaranteed until the School offers your child a place.
- In the event that a place is offered by us and accepted by you, the terms detailed in the Application for Enrolment form will form part of the Contract of Enrolment.
- There is no application fee to be paid.
- An appointment with myself to discuss our education program and tour the school will be held closer to your child's enrolment date.

If you have any queries, please do not hesitate to contact me.

Yours sincerely,

*Don DePalma*
